This short ski trip will arrive at Seven Springs Mountain Resort in Champion, Pennsylvania on Sunday, February 23rd. There is an option for two or three nights lodging. Skiing beginning at 4 p.m. on the day of arrival through closing on the day of departure;  
Breakfast buffet each morning and a \$25 dining gift card to use at any resort dining location;  
Overnight ski/snowboard check and discounts on ski/snowboard rentals;  
Complimentary Wi-Fi and access to the indoor pool and fitness center;  
Rooms with flat screen televisions, hair dryers, mini refrigerators, and Keurig coffee makers;  
Other amenities available for a fee include an outdoor hot tub, bowling alley, mini golf course, roller skating rink, game room with more than 60 games, snow tubing, sleigh rides, and a spa.

## Our rates are as follows:

2 nights = \$302 per person/double occupancy or \$355 per person/single occupancy  
3 nights = \$406 per person/double occupancy or \$605 per person/single occupancy

Rooms are standard rooms with one or two beds depending on availability. Slopeside rooms with a view of the slopes or with additional amenities may be available for an upcharge. You will book your own room with your own payment from our group block by calling Reservations at 866.437.1300 and telling them you are with the Frederick Ski Club. If we exceed the group block, additional reservations can be made in the group as long as rooms are available. We have an initial deadline of February 10th to fill the block but can extend if anyone needs more time to book. The website is [www.7springs.com](http://www.7springs.com)

The option to go to Wisp Resort in McHenry, Maryland is something you can also book on your own. Keep in mind those aged 70 years and above ski for free. For our group, we are using the Midweek Madness Special with prices as follows:  
 \$202.95 including tax for two people in a room and two lift tickets  
 \$157.45 including tax for two people in a room and one lift ticket (for those with one who skis for free or a non-skier roommate)

Amenities include an indoor heated pool, hot tub, fitness center, and rooms have a hair dryer, coffeemaker, and mini-refrigerator according to the website. Call 800.462.9477 to make reservations or book online at [www.wispresort.com](http://www.wispresort.com).

Of course, you can always just book one portion of this trip as well. This is a great trip with many options for things to do other than skiing. Seven Springs has all sorts of indoor activities as well as snow tubing and snowshoe areas. Wisp has many state parks nearby with trails to hike, snowshoe, and cross country ski.
